

## English

**Writing:** We will start the term by looking at writing diary extracts which will be linked to a WOW experience. Later in the term we will be studying and writing autobiographies and biographies linked to Roald Dahl and other popular children's authors.

**Spelling:** Spelling sessions will take place weekly, during which an emphasis will be placed on a particular sound or spelling pattern. Word lists will be sent home throughout the term, which the children will be tested on weekly on a Thursday

**Reading:** Children will have access to guided reading sessions throughout the week, consisting of comprehension based activities and Bug Club (an online reading tool). They will also have the opportunity to read independently and listen to others.

**Maths:** We have now introduced the *Maths: No Problem* Singapore maths scheme into class 3, a successful scheme which incorporates large amounts of problem solving so pupils apply their maths skills in a range of contexts. This will be complemented by a assortment of other maths activities, including outdoor maths sessions.

**Automaticity:** 3 mornings a week, children will spend 15 minutes practising key number facts in order to improve speed of recall and retention.

### Spaced Learning

We will be regularly revisiting areas of the curriculum in order to secure long term learning.

## Science

This term we will be exploring the function of the circulatory system and how exercise, diet and drugs can impact on our bodies and health.

## Curriculum Topic Overview

Advances in science and technology are transforming the way that we live our lives. Each and every one of us is affected by change - but have we ever stopped to consider what this change means for ourselves, our communities and the world?

## Class 3

### Curriculum Outline

### Autumn Term 2

### What Price Progress?

## RE

**Buddhism:** The RE will follow the 'Lincolnshire Agreed Syllabus' programme of study. This term the focus will be on Buddhism, in particular beliefs and journeys.

## Computing

**E-Safety:** We will learning how to use the internet and search technologies safely, effectively and

## PE

A sports coach from JB Sports will teach PE on a Monday afternoon throughout the year and will cover all elements of the PE curriculum. This term he will focus on cricket. **Please ensure your child has a suitable PE kit in school every Monday.**

## Swimming

By the end of Key Stage 2, all children should be able to swim 25 metres. This term children will have a weekly swimming lesson on a Wednesday afternoon.

**Please make sure that the children have their swimming kit for every swimming**

## PSHE

The focus for this term will be on health and well-being. PSHE will take place through a variety of activities including circle time and links to school assemblies.

## Creative Learning

**DT:** Children will investigate the way in which simple products in everyday use are designed and made and how they work.

**ART:** Children will have the opportunity to learn about great artists, architects and designers from the past

## Homework

Homework will consist of either a maths or English task which supports current classwork. Homework will be handed out on a Friday and should be handed in by Wednesday of the following week.
