

ST. MARGARET'S PRIMARY SCHOOL

IMPACT OF PRIMARY PE AND SPORT PREMIUM

2017 - 18

DEPARTMENT FOR EDUCATION VISION FOR THE PRIMARY PE AND SPORT PREMIUM

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Whole School Impact of the PE & Sport Premium Funding

Our PE and Sport Premium plans and key actions have become embedded within, inform, and support the achievement of our whole school Vision and Priorities identified within our Whole School Improvement Plan. This ensures the most effective, sustainable use of the funding with PE and School Sport becoming a tool for whole school impact, outcomes and improvement.

Please now find below our PE Vision, which is then followed by our PE and Sport Premium Action Plan (2017-18).

St. Margaret's Primary School

PE Vision:

At St Margaret's Primary School, we believe all children should take a full and active part in sports and know how this relates to a healthy lifestyle. Every child will leave our school with a taste of numerous sports and a love of many.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:

Areas for further improvement and baseline evidence of need:

1. 6 competitions attended as part of the Skegness Sports Partnership. 2. 3 additional sports events attended this academic year at alternative venues to that of the SSP. 3. All pupils take part in at least 2 hours of physical activity per week. 4. Swimming opportunities for all pupils throughout the year.	1. Further develop additional competitive sports opportunities. 2. Ensure all children have the opportunity to engage in physical activity every day in school (30 minutes per day).
--	---

SWIMMING AND WATER SAFETY SELF-RESCUE FOCUS.

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of](#)

[study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Swimming for 2017/18	
Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	***%

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
