

St. Margaret's C of E Primary School

More Important News

Healthy Eating School:

Just a reminder that we are proud to be a healthy eating school and would be grateful if parents/carers could continue to support us with this.

Menus:

Please can you ensure that menus are brought back into school by the deadline stated, otherwise your child/children may not receive a school dinner.

PTA

As a school, we are very grateful for all the hard work the PTA put in. The summer fayre held in July raised a staggering £986.68. This money will be put towards a number of different things including purchasing new books for the library and waterproof trousers for Class 1.

Due to its success last year, the PTA are currently in the process of organising a film night. More information to follow shortly.

Welcome back everyone. We hope that you all had a lovely summer. Here at St. Margaret's Primary School, we are looking ahead to a very busy and exciting term. Please read on to find out more...

Accelerated Reader Programme:

We are pleased to announce that the Accelerated Reader programme has been rolled out to all children from Years 2 to 6. The school timetable has been re-arranged so children now have the opportunity to read a book they have chosen in school on a daily basis and undertake a quiz upon completion of this book. The programme is enabling class teachers to monitor reading habits more effectively and provide additional support when required.

We would like to say a huge thank to parents for your continued support and we hope that together we can encourage all children at St. Margaret's to leave our school with a love of reading that they can take with them throughout their life.

School Council and Church School Council:

Following elections last week, each year group (from Years 1 to 6) is now represented on both the school council and church school council. With the help of Mrs Denby and Mrs Dowling, we look forward to seeing what the children have to offer in terms of improving our school.

New members of staff:

This year, we have welcomed three new members of staff.

Ms Mahdavi, a fluent French speaker, is the new Class 3 teacher (4 days a week).

Mrs Newton, an experienced teacher who carried out some supply work for us last year, is teaching in Class 1 on a Friday.

Mrs Madeley-Carr, whose children joined our school at the end of last year, is our new lunchtime supervisor and Science support.

We are also welcoming back Mrs Dowling, as the teaching assistant in Class 3.

We are very fortunate to have all of these new staff members on board and I'm sure you will agree that they have all been welcome additions to our team.

Dates for the diary
